GOSSIP OF THE TURF.

The committee on State Affairs of the Wisconsin Senate will tomorrow evening have a hearing on the Wylie bill, which prohibits pool-selling everywhere in the state. It was not until after this measure was passed by the Assembly branch of the Legislature that the home interests, its passage would seriously affect awoke to the danger and made preparations to point out to legislators its too radical features.

With the Wylie bill a law the great trotting interests of Wisconsin would be killed. It would not only stop the important meetings at Janesville and other trotting centers in the state, but destroy the value of several of the greatest stock farms in the country, including that of Wiblein Bros. at Western Union Junction; J. I. Case at Racine; H. D. McKinney at Janesville and Waters Farm at Genoa Junction. These establishments represent millions of dollars and the best strains of trotting blood, all of which would be rendered practically valueless by the Wylie bill's passage. Last Monday Secretary Babbitt, of the Wisconsin Fair Managers Association, issued a list of dates for seventy county fairs and race meetings, all of which must be abandoned under the Wylie bill. Because of this the county fair and trotting interests have combined to urge the Senate for relief. Four bills, under which these meetings could be held as before, have been killed at the present session. The Wylie bill alone has been allowed to live and as this is likely to prove a decisive blow to a great interest, its defeat or at least a change in its provisions is likely to occur. Although the bill's opponents have no liking for the running horse interests at Milwaukee and Ideal Park, its passage presages too much danger to allow it to go to enactment.

Superintendent Wells yesterday began the shaping of the Indiana track over which racing will begin on April 15. The course will be ready for fast work by Wednesday. About 300 racers are now stabled about Roby and are being given regular exercise. Among the early owners from abroad to swell the local colony are promised J. E. Cushing, W. & A. McGuigan, T. W. Coulter, S. C. Hildreth, H. E. Leigh, W. H. Roller, T. Licalzi, Everhart Bros., Cella & Sippy, John Wilson, T. Hurns, J. DeLong and G. G. Moshier. Applications for stalls are coming to Secretary Nathanson daily, and the end of the week will find the track a place of busy preparations for the coming meeting. The programme book will be ready on Thursday.

NEW BOOKS OF CHARTS.

Four new volumes of form are ready for delivery. No. 1 is in soft Morocco covers and includes the charts from June 2, 1896, with a double index from January 1, 1897, to March 18 inclusive—on linen paper. It is a noble volume and costs \$15.

No. 2 includes all charts from August 24, 1896, to March 18, 1897, inclusive, is similarly bound and costs \$10.

No. 3 is bound and indexed in the same high class way and covers racing by charts on both regular and outlaw tracks from January 1 to March 18, inclusive. Its price is \$3.50.

No. 4 is in stout paper covers with a plain index and covers the racing term from January 1 to March 18, 1897, 300 pages of charts and index. It is for sale at \$2.50. There are but a few volumes for sale. Applicants shall have them in the order of their calls.

NOTES OF THE TURF.

The present Colonel McGuigan declares, for Little Rock, where he rules, a "little" war—the size is not enumerated—against Memphis, because the latter elects to disregard the absurd ruling against Two Bits, etc. Colonel McGuigan also declares Boanerges to be for sale at \$30,000 spot cash, or \$10,000 if he cannot beat Algol. The "shade" is far over the latter figure.

Capt. Rees is to preside at Oakland in place of Mr. Jos. J. Rees, who takes the leading place in the Newport (Queen City Jockey Club) stand next Thursday. The selection of Capt. Rees indicates keenness of reciprocity between the California and Pacific Coast Jockey Clubs.

The daily news of turfdom via the New York Journal tells us that "Dutch" Heinrichs, one of the keenest of the Little Pete gang at San Francisco last winter, will sue somebody or something for a rehearing of his case. Bosh! Heinrichs was shelved all too late.

Last Tuesday at Oakland, Cal., Louis Ezell's The Cheat and B. Newton's Sir William ran a match race at 4½ furlongs for \$500 a side. Willie Martin rode The Cheat and he won easily by four lengths in 57 seconds.

The new secretary of the Pacific Coast Jockey Club is F. H. Green, a relative of Vice President Henry J. Crocker and a Californian. He is a popular young man, well bred and a keen accountant.

Salvable has been a horse of great earning power to that excellent turfman and manager, Pat Dunne. He has won twelve of his last fifteen races.

Meadowthorpe is credited with a Memphis nine furlongs in 1:55½ and Typhoon II with a mile in 1:45½.

H. D. (Curley) Brown is to do the starting at the Newport spring meeting.

The Cella & Sippy horses are at Little Rock from San Francisco.
